About us

"Sukalpa Tech Solutions" started in 2018-19 with the philosophy of Support, Succeed & Grow Stronger Together. VISION: To be a top most engineering services company in India by 2025-26 to offer services with most trusted, reliable & innovative solutions.

MISSION: Delighting the customers by uncompromisingly dynamic, technological developments & modernization that becomes vital to stay ahead of their competition at reasonable cost

Why Choose Sukalpa Tech?

- Innovation-Driven: We thrive on pushing boundaries to deliver truly unique solutions.
- Holistic Approach: Our end-to-end services cover everything from initial concept to final product launch.
- Collaborative Process: Your vision, combined with our expertise, ensures a result that exceeds expectations.
- Seamless Compliance: We streamline the certification process, ensuring your products adhere to the Central Motor Vehicles Rules (CMVR) and FAME II guidelines with ease.
- Expert Guidance: Our team of specialists offers tailored advice, guiding you through each step from documentation to testing and approval.
- Accelerated Market Entry: With our efficient processes, your products reach the market faster, giving you a competitive edge.

"Unlock your full potential with our all-encompassing engineering and consulting services. Let's build the future together!"
